Donation in support of The Business Times Budding Artists Fund

The Business Times Budding Artists Fund (BT BAF) originated from a conviction that no child with the strong interest and potential in the arts should be denied the opportunity to develop his or her talents due to a lack of financial resources**. BT BAF** provides arts training for financially-disadvantaged children and youth from ages 6 to 19 at training centres - The Little Arts Academy and 10 Square. **BT BAF** is managed by The RICE Company Limited, a registered charity with an IPC (Institution of a Public Character) status.
